

Sound of the week N,n

Necklace making.

What you will need:

Penne pasta, string, paint (if you want to decorate, your choice)

Sellotape.

1. Paint the pasta, any colour you like your preference – leave to dry.
2. Cut the required length of string and tie a knot at one end.
3. Using a small piece of Sellotape wrap around the other end of string (it keeps it from unravelling and makes it easy to thread the pasta through)
4. Thread your coloured pasta onto the string... lots of fine motor skills needed / practice.
5. Once you have the desired length tie a knot to secure both ends and creating a necklace circle... talk about the shapes...
6. Wear with pride or give it as a gift to a friend.

EYFS covers: C.L, U +S, P.D, M&H, EA&D, M&M.
