We lick our lollipops.
We lick our lollipops.
/l-/l-/l-/l!
We lick our lollipops.

Action: Pretend to lick a lollipop, and say *llll*.

How to play

Sit opposite your child and roll the ball to each other, while you are rolling the ball take it in turns to name objects that begin with the letter sound L. for example. Listen, look, love, lean, lama and so on.

Once your child is able to say a variety of different L sound words. You could change the game and describe the L sound object so your child has to think about the word. Ensure that you model sounds and not to correct, repeat words and sentences if needed. Get your child to also describe objects back to you also as this extends knowledge of language and develops thinking.
