

SCIENCE EXPERIMENT

A is for ant.

Using some paper.....write the word ant with honey.

Take it outside and place on the path/ground and watch and wait for some hungry visitors.

EYFS covering : understanding of the world, animals and the world. Communication and language....speaking and understanding. Literacy, reading.....

Extension : try different sweet treats for our ant friends....

Write your name in the honey. Go on a bug hunt. Create your own ant farm...
